

INTERNATIONAL RICE COMMISSION

NEWS LETTER

Issued by the I.R.C. Secretariat, c/o FAO Regional Office, Bangkok, Thailand.

December, 1957

TABLE OF CONTENTS, 1956-57

Issue No. 17 - March, 1956

1. Summary Report of the 1955 Meetings of the Two Working Parties of the International Rice Commission.
2. Changes in Rice Varieties in the United States from 1931 to 1955, by C. Roy Adair.
3. Sampling and Analysis of Paddy Soil, by B.L. Beacher.
4. Rice Rotation in New South Wales, by W. Poggendorff.
5. Rice Breeding in Surinam.
6. Foliar Symptoms of Deficiencies of the Major Elements in Rice, by R.G. Lockard.

Issue No. 18 - June, 1956

7. Cooperative Rice Improvement Program in the Philippines, by D.L. Umali, J.P. Torr s and others.

8. The Effect of Crop Rotation on the Growth and Yield of Rice in the United States, by C. Roy Adair.
9. Research on Penyakit Merah in Malaya, by R.G. Lockard.
10. Wet Padi Manurial Experiments on Peat Soils in Malaya, by E.F. Allen and J.K. Coulter.
11. Estimation of Crop Losses in Paddy in Malaya due to Insects, by R.J.A.W. Lever.
12. Investigations on the Time Application of Ammonium-Sulphate, by H. Siregar.

Issue No. 19 - September, 1956

13. Rice Experiment Stations in India, by R.L.M. Ghose.
14. Rice Diseases in India, by S.Y. Padmanabhan.

15. Fertilizer Use in Rice Production in India, by M.V. Vachhani and C.T. Abichandani.
16. Insect Pests of Rice in India and their Control, by P. Isreal.
17. The Fifth Session of the International Rice Commission, Calcutta, India, 12 to 19 November 1956.

Issue No. 20 - December, 1956

18. Summary of Recommendations of the Fifth Session of the International Rice Commission, held in Calcutta, India, 12 to 19 November 1956.
19. Summary of Recommendations of the Meeting of the ad hoc Working Group on Storage and Processing of Rice.
20. Progress Report on the Work of the International Rice Commission, by C.W. Chang.
21. A Summary Report on Rice Improvement in Egypt in 1955, by M.A. Koshiary, C.L. Pan, M. Gad El Hak and others.
22. The Effect of Crop Rotation on Growth and Yield of Paddy, by E.F. Allen.
23. Paddy Stem-Borer Investigations in Krain, Perak, by I.J. Wyatt.
24. Review of the Report on Rice Investigations in Thailand, 1950-54, by H.H. Love, by K. Ramiah.
25. List of Articles Published in the News Letter During the Year 1956.

Volume VI, No. 1 - March, 1957

26. Rationalization of Fertilizer Use through Experiments on Cultivators' Fields, by H.N. Mukerjee.
27. Rice Breeding Investigation in California, Joseph R. Thysell.
28. The Use of X-ray and Thermal Neutrons in Producing Mutations in Rice, by H.M. Beachell.
29. A Study on the Resistance of Rice to Stem Borer Infestations, by M.A. Koshiary, C.L. Pan, Gad El Hak and others.
30. Fish Culture in Rice Fields, by Hasnuddin Saanin.

Volume VI, No. 2 - June 1957

31. Breeding for Improved Milling, Processing and Cooking Characteristics of Rice, by H.M. Beachell and John V. Halick.
32. Preliminary Studies on Root Parasitic Nematodes of Rice in Texas and Louisiana, by John G. Atkins, Max J. Field and John P. Hollis.
33. Testing and Breeding American Rice Varieties for Resistance to Straighthead, by J.G. Atkins, H.M. Beachell and L.E. Crane.
34. Report on the Processing and Storage of Rice in Malaya, by A.E. Billington.
35. Fertilizer Experiment on Paddy in Egypt, by M.A. Koshiary, C.L. Pan, Gad El Hak and others.

Volume VI, No. 3 - September 1957

36. Land Reform and Other Factors Contributing to Rice Production Increase in Taiwan, by H.T. Chang.
37. The System of Rice Seed Multiplication and Extension in Taiwan, by Peter Kung.
38. Fertilizer Use in Rice Production in Taiwan, by H.F. Chu.
39. Diseases and Insect Pests of Rice in Taiwan and Their Control, by S.H. Ou.
40. Rice Culture Implements and Facilities in Taiwan, by Fengchow C. Ma.

Volume VI, No. 4 - December 1957

41. International Cooperation to Improve Rice Production and Processing, by Ralph W. Phillips.
42. Irrigation Facilities for Rice Culture in Taiwan, by Y.H. Djang.
43. Some Rice Storage Problems and Their Solution in Burma, by D.H. Pasfield.
44. Better Farm Planning for Better Management and Family Living, by Shao-er Ong.
45. Summary of Recommendations of the Joint Meeting of the Three Working Groups of the International Rice Commission, held in Vercelli, Italy, in September 1957.

SUBJECT INDEX, 1956-57**1. Rice Improvement**

1. Rice Breeding in Surinam (March 1956).
2. Changes in Rice Varieties in the United States from 1931 to 1955, by C. Roy Adair (March 1956).
3. Cooperative Rice Improvement Program in the Philippines, by D.L. Umali, J.P. Torres, P.A. Honrado, R.V. Manio and E. Rigor (June 1956).
4. Rice Reeding Investigation in California, by Joseph R. Thysell (March 1957).
5. The Use of X-ray and Thermal Neutrons in Producing Mutations in Rice, H.M. Beachell (March 1957).

6. Breeding for Improved Milling, Processing and Cooking Characteristics of Rice, by H.M. Beachell and John V. Halick (June 1957).
7. Testing and Breeding American Rice Varieties for Resistance to Straighthead, by J.G. Atkins, H.M. Beachell and L.E. Crane (June 1957).
8. The System of Rice Seed Multiplication and Extension in Taiwan, by Peter Kung (September 1957).

2. Rice Soils and Fertilizer Practices

9. Sampling and Analysis of Paddy Soil, by B.L. Beacher (March 1956)
10. Rice Rotations in New South Wales, by W. Poggendorff (March 1956).

11. Foliar Symptoms of Deficiencies of the Major Elements in Rice, by R.G. Lockard (March 1956).
 12. Wet Padi Manurial Experiments on Peat Soils in Malaya, E.F. Allen and J.K. Coulter (June 1956).
 13. Investigations on the Time Application of Ammonium-Sulphate, by H. Siregar (June 1956).
 14. The Effect of Crop Rotation on the Growth and Yield of Rice in the United States, C. Roy Adair (June 1956).
 15. Fertilizer Use in Rice Production in India, M.V. Vachhani and C.T. Abichandani (September 1956).
 16. The Effect of Crop Rotation on Growth and Yield of Paddy, by E.F. Allen (December 1956).
 17. Rationalization of Fertilizer Use through Experiments on Cultivators' Fields, H.N. Mukerjee (March 1957).
 18. Fertilizer Experiments on Paddy in Egypt, by M.A. Koshairy, C.L. Pan, Gad El Hak and others (June 1957).
 19. Fertilizer Use in Rice Production in Taiwan, by H.F. Chu (September 1957).
- 3. Rice Protection**
20. Research on Penyakit Merah in Malaya, by R.B. Lockard (June 1957).
 21. Estimation of Crop Losses in Padi in Malaya due to Insects, by R.J.A.W. Lever (June 1956).
 22. Rice Diseases in India, by S.Y. Padmanabhan (September 1956).
 23. Insect Pests of Rice in India and their Control, by P. Israel (September 1956).
 24. Paddy Stem-Borer Investigations in Krian, Perak, by I.J. Wyatt (December 1956).
 25. A Study on the Resistance of Rice to Stem-Borer Infestations, by M.A. Koshairy, C.L. Pan, Gad El Hak and others (March 1957).
 26. Preliminary Studies on Root Parasitic Nematodes of Rice in Texas and Louisiana, by John G. Atkins, Max J. Fielding and John P. Hollis (June 1957).
 27. Diseases and Insect Pests of Rice in Taiwan and their Control, by S.H. Ou (September 1957).
- 4. Engineering Aspects of Rice Production, Storage and Processing**
28. Summary of Recommendations of the Meeting of the ad hoc Working Group on Storage and Processing of Rice (December 1956).
 29. Report on the Processing and Storage of Rice in Malaya, by A.E. Billington (June 1957).
 30. Rice Culture Implements and Facilities in Taiwan, by Fengchow C. Ma (September 1957).

31. Some Rice Storage Problems and their Solution in Burma, by D.H. Pasfield (December 1957).
32. Irrigation Facilities for Rice Culture in Taiwan, Y.H. Djang (December 1957).

5. General Nature

33. Summary Report of the 1955 Meetings of the Two Working Parties of the International Rice Commission (March 1956).
34. The Fifth Session of the International Rice Commission, Calcutta, India, 12 to 19 November 1956 (September 1956).
35. Rice Experiment Stations in India, by R.L.M. Ghose (September 1956).
36. A Summary Report on Rice Improvement in Egypt in 1955, by M.A. Koshairy, C.L. Pan, M. Gad El Hak and others (December 1956).
37. Progress Report on the Work of the International Rice Commission for the Years of 1955 and 1956, by C.W. Chang (December 1955).

38. Summary of Recommendations of the Fifth Session of the International Rice Commission (December 1956).

39. Review of the Report on Rice Investigations in Thailand 1950-54 by Dr. H.H. Love, by K. Ramiah (December 1956).

40. Fish Culture in Rice Fields, by Hasnuddin Saanin (March 1957).

41. Land Reform and Other Factors Contributing to Rice Production Increase in Taiwan, by H.T. Chang (September 1957).

42. Summary of Recommendations of the Joint Meeting of the Three Working Groups of the International Rice Commission, held in Vercelli, Italy, in September 1957 (December 1957).

43. International Cooperation to Improve Rice Production and Processing, by Ralph W. Phillips (December 1957).

44. Better Farm Planning for Better Management and Family Living, by Shao-er Ong (December 1957).

AUTHOR INDEX, 1956-57

Adair, C. Roy.

Changes in Rice Varieties in the United States from 1931 to 1955 (March 1956).

The Effect of Crop Rotation on the Growth and Yield of Rice in the United States (June 1956).

Allen, E.F.

The Effect of Crop Rotation on Growth and Yield of Paddy (December 1956).

Allen, E.F. and Coulter, J.K.

Wet Padi Manurial Experiments on Peat Soils in Malaya (June 1956).

Atkins, John G., Fielding, Max J. and Hollis, John P.

Preliminary Studies on Root Parasitic Nematodes of Rice in Texas and Louisiana (June 1957).

Atkins, J.G., Beachell, H.M. and Crane, L.E.
Testing and Breeding American Rice Varieties for Resistance to Straighthead (June 1957).

Beachell, H.M.

The Use of X-ray and Thermal Neutrons in Producing Mutations in Rice (March 1957).

Beachell, H.M. and Halick, John V.
Breeding for Improved Milling, Processing and Cooking Characteristics of Rice (June 1957).

Beacher, B.L.

Sampling and Analysis of Paddy Soil (March 1956).

Billington, A.E.

Report on the Processing and Storage of Rice in Malaya (June 1957).

Chang, C.W.

Progress Report on the Work of the International Rice Commission for the Years of 1955 and 1956 (December 1956).

Chang, H.T.

Land Reform and Other Factors Contributing to Rice Production Increase in Taiwan (September 1957).

Chu, H.F.

Fertilizer Use in Rice Production in Taiwan (September 1957).

Djang, Y.H.

Irrigation Facilities for Rice Culture in Taiwan (December 1957).

Ghose, R.L.M.

Rice Experiment Stations in India (September 1956).

Israel, P.

Insect Pests of Rice in India and their Control (September 1956).

Koshairy, M.A., Pan, C.L., Hak, M. Gad El and others

A Summary Report on Rice Improvement in Egypt in 1955 (December 1956).

A Study on the Resistance of Rice to Stem-Borer Infestations (March 1957).

Fertilizer Experiments on Paddy in Egypt (June 1957).

Kung, Peter

The System of Rice Seed Multiplication and Extension in Taiwan (September 1957).

Lever, R.J.A.W.

Estimation of Crop Losses in Padi in Malaya due to Insects (June 1956).

Lockard, R.G.

Foliar Symptoms of Deficiencies of the Major Elements in Rice (March 1956).

Research on Penyakit Merah in Malaya (June 1956).

Ma, Fengchow C.

Rice Culture Implements and Facilities in Taiwan (September 1957).

Mukerjee, H.N.

Rotationalization of Fertilizer Use
Through Experiments on Cultiva-
tors' Fields (March 1957).

Ong, Shao-er

Better Farm Planning for Better
Management and Family Living
(December 1957).

Ou, S.H.

Diseases and Insect Pests of Rice
in Taiwan and Their Control
(September 1957).

Padmanabhan, S.Y.

Rice Diseases in India (September
1957).

Pasfield, D.H.

Some Rice Storage Problems
and Their Solution in Burma
(December 1957).

Phillips, Ralph W.

International Cooperation to Im-
prove Rice Production and Pro-
cessing (December 1957).

Poggendorff, W.

Rice Rotations in New South
Wales (March 1956).

Ramiah, K.

Review of the Report on Rice
Investigations in Thailand 1950-54
by Dr. H.H. Love (December 1956)

Saanin, Hasnuddin

Fish Culture in Rice Fields (March
1957)

Siregar, H.

Investigations on the Time Ap-
plication of Ammonium-Sulphate
(June 1956).

Thysell, Joseph R.

Rice Breeding Investigation in
California (March 1957).

Umali, D.L., Torres, J.P., Honrado, P.A.,
Manio, R.V. and Rigor, E.

Cooperative Rice Improvement
Program in the Philippines (June
1956).

Vachhani, M.V. and Abichandani, C.T.

Fertilizer Use in Rice Production
in India (September 1956).

Wyatt, I.J.

Paddy Stem-Borer Investigation
in Krian (December 1956).
